

Berserkers

Vers:

You hear them coming from somewhere beneath the trees
The forest now resounds from howling cries

Your men starts flickering their eyes from the unease
The warriors of bear and wolf draws near

Ref:

*Give me your strength
Your soul will carry me into the fight, now
Grant me your force
I am your raging jaw*

Vers:

We are the boar, we run our tusks into your eyes
A ramming beast, snorting with boiling froth

And we're the bear that crush your head between our paws
The wolf with ripping claws and deadly jaws

Ref:

*Give me your strength
Your soul will carry me into the fight, now
Grant me your force
I am your raging jaw*

Stick:

**Warriors of The One
Forward, run berserk
Howl like wilded beasts
Tear and taste their blood**

**Bite fast Wolf-skinned
Strike hard Bear-skinned
Ram down Boar-skinned
You, the berserkers!**

Ref:

*Give me your strength
Your soul will carry me into the fight, now
Grant me your force
I am your raging jaw*
