

Yuletide

Vers.

Upon this longest night
We gather for the Blót
Prevent the signs
The twilight of the gods

Enrich the soil with blood
Crops will higher grow
A feast for better times
For all we know

Ref.

**Great sacrifice, feast for the gods
Gaze down during your Wild Hunt
Fine ox and swine, mead for us all
Longest night, winter's sacrifice**

Vers.

Dark tales
Speaks of human blood
A sacrifice,
Whispers of the old

The crops where better then
At least they say
Tales of olden days
Affects the men

Aggro:

Sa-cri-fice one thrall

Ref.

**Great sacrifice, feast for the gods
Gaze down during your Wild Hunt
Fine ox and swine, mead for us all
Longest night, winter's sacrifice**
